Description : Description du produitDistinguishing himself at the Battle of Cedar Mountain, Confederate Captain Nate Starbuck sees his career jeopardized through the suspicion and hostility of his brigade commander, the grandiose General Washington Faulconer. Their simmering enmity flares to life at Dead Mary's Ford, where Nate Starbuck has to fight the enemy as well as his own commanding officer.

Prsentation de l'diteurThe third volume in the Starbuck Chronicles. The battle for control of Richmond, the Confederate capital, continues through the hot summer of 1862.Captain Nate Starbuck, yankee fighting for the Southern cause, has to survive and win with his ragged Company in the bitter struggle not only against the formidable Northern army but equally in opposition to his own superiors who would like nothing better than to see Nate Starbuck dead and dishonoured.Starbucks courage is tested to the limit in his desperate

manoeuvres to retrieve his own and the Legions honour in this the thrid narrative of Bernard Cornwells sweeping epic of the American Civil War. From AudioFile Cornwell, who is best known for his Richard Sharpe series, offers another series, which takes place during the War Between the States. Nathaniel Starbuck is the son of a well-known Boston abolitionist preacher. Starbuck finds himself stuck in Virginia in April 1861 and becomes a Rebel, but more out of rebellion against his father than out of belief in states' rights.

Battle Flag, the third installment, finds Starbuck getting command of his regiment and fighting at Cedar Mountain and Second Manassas with Stonewall Jackson. Actor Hayward Morse displays his versatile vocal skills by giving almost every character a distinct voice. His depiction of the battle scenes brings out the horror, confusion and excitement of the dramatic narrative. His enthusiasm for this work is apparent, and he does well in bringing out its comic elements. This is a joy for those who enjoy adventure. M.T.F.
