Description :

Prsentation de l'diteurBook One of The Union SeriesAndy Moralee knew that life with his new company of Dropship Infantry would be hard, but nothing could prepare him for life in one of the toughest units in the Union army. New arrivals, nicknamed Crow by their platoons, are the lowest form of life in his Company, and he finds himself at the mercy of unforgiving commanders and bullies, all the time knowing that the real enemy are waiting for him at the end of his journey through the void. The enemy know that the Union are coming, they have dug in and fortified, and they are ready. C.R.O.W is a Military Science Fiction novel that follows Andy Moralee across the cosmos, and into combat against a well-equipped enemy prepared to fight to the very end.Phillip Richards is a soldier serving in the British Army, and an avid fan of science fiction.

He has served in the army for twelve years since enlisting as a 17 year old boy, and since having done so he has served on eight operational tours. This includes operations in Kosovo as a peacekeeper, the Iraq Invasion of 2003, and several tours of Afghanistan. During this time he has promoted through the ranks to sergeant and has spent two years instructing infantry recruits in North England.
