Prsentation de l'diteurThey're here, and they're real. . .werewolves, vampires, mages, and other creatures of the night. For New York P.I. Shiarra Waynest, taking care of Others business started out as a way to stay solvent. But now business is getting very, very complicated. . .Shiarra's relationship with sexy werewolf Chaz may be somewhat unconventional. Still, after a few bumps, Shia is finally ready to get serious. That means meeting family--or in this case, bringing Chaz's entire werewolf pack along for a rollicking full-moon weekend in the Catskills. Soon after they arrive, threatening notes appear, warning Chaz to go home. Then their cabin is ransacked. Shia starts digging to find out whether it's the work of upstart teenaged werewolves

or something more sinister. Yet as rumors about her vampire connections arouse the pack's hostility, Shia has to contend with other dangers.
