Description :

Prsentation de l'diteurThe breakup of her marriage had been devastating, but Tyler Laine had rebuilt her life and now moved in a world of money and privilege, a far cry from the mean streets of his world. And yet Gabriel West, ex-SAS agent and her estranged husband, still haunted her nights with dreams of what might have been. Then someone decided Tyler would be better off dead, and she knew there was only one man who could protect her. For years, Gabriel had dreamed of a second chance with Tyler so when she asked for his

protection, he was more than happy to oblige. He'd found a way back into her lifenow if only he could find a way back into her heart.Prsentation de l'diteurThe breakup of her marriage had been devastating, but Tyler Laine had rebuilt her life and now moved in a world of money and privilege, a far cry from the mean streets of his world.
