Description :

Prsentation de l'diteurThis edition of Odyssey One has been completely edited and remastered to correct the typos and content issues that reviewers commented on in the original edition.Beyond the confines of our small world, far from the glow of our star, lies a galaxy and universe much larger and more varied than anyone on Earth can possibly imagine. For the new NAC spacecraft Odyssey and her crew, the unimaginable facets of this untouched world are about to become reality.The Odysseys maiden voyage is an epic adventure destined to make history. Captain Eric Weston and his crew, pushing past the boundaries of security, encounter horrors, wonders, monsters, and people, all of which will test their resolve, challenge

their abilities, and put in sharp relief what is necessary to be a hero. A first-rate military science fiction epic that combines old-school space opera and modern storytelling, *Into the Black: Odyssey One* is a riveting, exhilarating adventure with vivid details, rich mythology, and relentless pacing that will leave you breathlessly awaiting book two.

Biographie de l'auteur Evan Currie has been writing most of his life in one format or another and, despite having taken his education in computer sciences and spent the majority of his professional life in the Quebec lobster industry, he has never lost his passion for the written word. As his preferred way to relax and enjoy his down time, Evan often says that there is little he can imagine better than being a storyteller. Evan Currie is the author of the *Odyssey* series, *Thermals*, and *On Silver Wings*.
