Description :

Prsentation de l'diteurThe hunt is on.Pretty young men and women like Michaels best friend, Scary Mary, are disappearing from underground goth clubs all over Detroit. For over two years, Michael has been scouring the midwest for buried newspaper articles and obscure medical reports, and now hes finally pinpointed the source of the problem. Too bad he cant exactly go to the cops and tell them his friend was murdered by vampires. Since its his duty to start wiping out the scourge, hes posing as baitand hes got a bag of sharpened hickory stakes to do the job.Everything should go smoothly, given the amount of preparation that Michael has put into the hunt. Hes got a practiced repertoire of come-hither eyeliner looks and a full

blister-pack of the date rape drug Rohypnol. But he didnt count on Wild Bill showing up. Wild Bill is a vision in spiked hair and scuffed black leather exactly the type of guy Michael would have fallen for if he had ever had the chance. Unfortunately, with a vampire in his sights, Michael has no time for an actual date. Despite his best efforts, it seems theres nothing Michael can do to shake Bill loose. Looks like theyre in for a wild, wild ride. (Novelette - 11,300 words, 38 PDF pages - second edition - gay content)
