Description :

Prsentation de l'diteurA visiting lama asks a young stallion if he wants to help. It means carrying the dead to the river of rebirth, climbing cloud mountains to a monastery of many species, raiding Hell itself, and joining a tantric circle headed by a tigress. On the last peaks, where the lightning strikes, he must face death to bring light to his lost love and the heavy, suffering earth.Prsentation de l'diteurA visiting lama asks a young stallion if he wants to help.
