Prsentation de l'diteur
One touch made her crave him. Her shocking choice will change everything. Biology student Laura Prince lands a plum internship deep in the Michigan wilderness. When she discovers a lone black wolf with piercing gold eyes in the forest, she feels a connection to him she cant explain. Stranger still, no one believes what she saw was real. Then, she encounters Malcolm Devane -- a very real, tall, dark, brooding stranger with hauntingly familiar golden eyes. Laura is drawn to Mal in ways she knows are dangerous. But, when everything Laura has worked for gets torn away, hes the only one she can turn to. Exiled from his native pack lands, Mal is on a mission of redemption. If he can bring down a rival Alpha

wolf and reclaim his pack, he just might get the chance to return home. But when he meets Laura, she stirs a dark passion in him he thought he could never have again. He knows instantly that she's his fated mate but it may be the very thing that gets her killed. For a powerful enemy with nothing left to lose won't hesitate to hurt Laura to get to Mal. Even though Mal knows the safest thing to do is walk away, the dark wolf inside him may be too strong to deny. Readers Note: Each book in the Wild Lake Wolves series is a full length, standalone, cliffhanger free, super sexy, werewolf shifter romance. You can read them in any order but the smoking hot events within each are interconnected and happen chronologically. These wolves like it rough!

If you're not into that, you might want to sit this one out. However if you like hot, dominant, alpha male werewolf shifters and the kickass heroines who will do anything to please them, then one-click away and enjoy the ride! Biographie de l'auteur As a civil lawyer, I spent many, many years writing complex legal briefs for unappreciative bosses. To keep from stabbing myself (or them) in the eye with a fork during all of that, I also started writing down the stories in my head. All on my own time, of course ;) Turns out, I'm a sucker for hot, alpha male shifters and kickass heroines. Now, I've thrown away my shingle (er - more like burned it in a fire pit) so I can devote my time to bringing you sizzling, erotic, paranormal romance stories.

If you like hunky, bad boy shifters, women who know what they want in and out of the bedroom, panty-melting sex scenes, and edge of your seat suspense, I've got you covered! We'll put the rah-rah in erotic romance (okay, okay, that sounded better in my head).
