Description :

Prsentation de l'diteur Take one pretty brat with a defiant streak a mile wide, add a strict military man with a mission to achieve, throw in a handful of missile owning terrorists and what you have is a recipe for a hot bottomed, hard handed romantic spanking thriller. Being gifted ain't easy. At thirty two, chronic singleton Zora Matthews is quite content with a life of frequent drinks and occasional employment. At least, she thinks she is, in between hangovers and job terminations. Older, wiser Captain Brett Savage is a serious man with a serious problem. A Bulgarian terrorist cell has a nuclear missile in their possession and it's up to his

unit to neutralize the threat. But this is no ordinary mission. To deactivate the missile, they're going to need someone in the room. Someone with a mind like a machine.
