Stone and his colleagues Reuben, Milton, and Caleb marshal all their resources to protect Annabelle.Yet all their skills may not be enough when a deadly new opponent rips off the veneer of Stone's own mysterious past: Bagger's menace pales next to newcomer Harry Finn's lethality. Passing as a normal family man, Finn has already killed three men, with more targets to come.When Finn sets his bull's-eye on Stone, his reason will be the greatest shock of all, causing readers to reconsider their views of good and evil. As bodies and institutions topple, the story rockets toward a shattering finale that will leave the

survivors of this explosive tale changed forever. From Publishers Weekly Starred . The modern-day paladins of the Camel Club are back in their third exciting adventure (after 2006's *The Collectors*). Justice-seekers Milton, Caleb, Reuben and honorary member Alex Ford, a Secret Service agent, are led by feisty Oliver Stone, aka former CIA assassin John Carr. Their associate, Annabelle Conroy, is a slick con artist on the run after stealing \$40 million from lunatic casino owner Jerry Bagger, who killed her mother. Oliver's CIA past distracts him from Annabelle's cause: his old unit, Triple 6, was responsible for the death of Raymond Solomon, branded a traitor during the Cold War, and now Solomon's son, DHS security expert Harry Finn, is picking off Triple 6 members. Oliver could be next if Carter Gray, his former boss, reveals that John Carr isn't really dead. Gripping, chilling and full of surprises, Baldacci's latest reveals the anarchy that lurks under the slick facade of corrupted governments. (Nov.) Baldacci's adept character development coupled with deft narration from Ron McLarty makes for an enjoyable listening experience. Once again, Baldacci creates unique parallel stories that evolve and eventually intertwine. The expert McLarty gives clear and recognizable voices to all the characters. In particular, his consistent accents for the old Russian woman and for the acerbic Irish man capture the story's emotions and help bring home the plot. A whiny rare books expert and a bitter gangster round out the colorful cast. Hidden secrets, political espionage, and personal trust all clash in this fast-paced story. M.B.
