## Description :

Prsentation de l'diteur Janeane Linson is dead, and the impossible has happened: Every detail of her murder has been erased. It's Special Agent Katie Pratt's first day with Ghost Targets, the division of the FBI that tracks elite, powerful criminals with the ability to disrupt the all-seeing Hathor monitoring system. And Katie's first case is the murder of a young business woman who, according to video surveillance, has been strangled by a seemingly invisible attacker. In her search for the killer, Katie finds a threat far more dangerous. Now she must find a way to use the system, her wits, and her instincts to defeat an enemy as powerful as the system itself. Previously published as Gods Tomorrow, Surveillance is the first book in the

Ghost Targets series. Presentation de l'auteur Janeane Linson is dead, and the impossible has happened: Every detail of her murder has been erased. It's Special Agent Katie Pratt's first day with Ghost Targets, the division of the FBI that tracks elite, powerful criminals with the ability to disrupt the all-seeing Hathor monitoring system. And Katie's first case is the murder of a young business woman who, according to video surveillance, has been strangled by a seemingly invisible attacker. In her search for the killer, Katie finds a threat far more dangerous. Now she must find a way to use the system, her wits, and her instincts to defeat an enemy as powerful as the system itself. Previously published as Gods Tomorrow, Surveillance is the first book in the Ghost Targets series. Biographie de l'auteur Aaron Pogue is a husband and a father of two who lives in Oklahoma City, OK. He started writing at the age of ten, and lays claim to eleven finished novels, as well as a handful of short stories, scripts, and videogame storylines. His first novels were high fantasy set in the rich world of the First King, but he's explored mainstream thrillers, urban fantasy, and several kinds of science fiction. Gods Tomorrow represents the introduction to a long-running science fiction cop drama series focused on the Ghost Targets task force. Aaron is also a Technical Writer with the Federal Aviation Administration. He has a degree in Writing and has been working as a Technical Writer since 2002. He's been a writing professor at the university level, and is currently pursuing a Master of Professional Writing degree at the University of Oklahoma. He also runs a writing advice blog at [UnstressedSyllables.com](http://UnstressedSyllables.com), and is a founding artist at [ConsortiumOKC.com](http://ConsortiumOKC.com).
