Description : Description du produitEarth, 2508 A.D. Humans have spread across the six arms of the Milky Way Galaxy. The Unified Authority controls Earth's colonies with an iron fist and a powerful military-a military made up almost entirely of clones... Private first-class Wayson Harris was raised in a U.A. orphanage among thousands of clones born and bred as the ultimate soldiers. But Harris isn't like the other Marines: he has a mind of his own. He figures he's paying for that independent streak when his first assignment out of boot camp is the smallest Marine outpost in the whole U.A. When a rogue general surfaces, the remote desert world Harris thought was a dead-end posting becomes anything but. Fighting off the general's raid gains Harris a promotion. But it also brings him to the attention of some unfriendly U.A.

leaders. They have their own plans for the military-plans Harris disrupts by his very existence. For in an army of clones, the one unforgivable sin is to be different... In his debut novel, *The Ultimate History of Video Games*, introduces readers into a bright future with dim prospects

Prsentation de l'diteurEarth, 2508 A.D. Humans have spread across the six arms of the Milky Way Galaxy. But it also brings him to the attention of some unfriendly U.A. leaders. They have their own plans for the militaryplans Harris disrupts by his very existence. For in an army of clones, the one unforgivable sin is to be differentBiographie de l'auteurBorn in California but raised in Hawaii, novelist/video game fanatic Steven L. Kent turned a life-long joystick addiction into a 15-year gig writing for publications like MSNBC, Boys Life, USA Today, Chicago Tribune, and Japan Times. After publishing the 600-page *The Ultimate History of Video Games*, Kent satisfied his Pac-Man-angst and set his sights on fiction. Having just submitted *The Clone Elite*, the fourth book in his Wayson Harris Trilogy, Kent is currently writing a standalone sci-fi novel while he develops a new series based on the Unified Authority.
