## Description :

Prsentation de l'diteurThere are a few things Parnell Stillman is dead certain he will never do:He'd never fall in love.He'd never have kids.He'd never be a hero.His first and only love is flying.The struggle to keep his air cargo business solvent is challenge enough. Rebecca Hollis believes caring for others is the road to happiness. Tasked to shepherd five orphans on a flight to a conclave to meet prospective adoptive parents, she learns it takes much more. The plane is caught helpless in the grip of a storm that sends it plunging into a frozen wilderness. Rebecca determines she and the disagreeable pilot must work together to insure the survival and rescue of the orphans. Parnell Stillman has other ideas. So do the orphans. Rescue means a

return to foster homes and an uncaring welfare system. Or maybe not.
