## Description :

Prsentation de l'diteurMeet Jenny. She's rich, spoiled, rude and obnoxious. She's also just been signed up for the BDSM ride of her life! An intensive training course at the Albrecht Stables is not what it appears to be and training to become a human pony was not on Jenny's to-do list.The trouble is, how do you escape when

you're tied up, gagged and constantly sexually aroused? Which Master or Mistress do you turn to for rescue? And what do you do if you suspect you might actually be enjoying yourself? This is Jenny's adventure into the world of BDSM and pony play. She's about to find out just how much effort it takes to become a pony girl and that she has no choice but to excel in every aspect of her training or she may never stand a chance of being released from her bondage. Book One features Jenny's abrupt induction, where she finds herself being stripped naked, medically examined and intimately measured for her new uniform - as a pony girl. Biographie de l'auteur Christina Mandara was born in the UK, but has spent most of her life travelling the world. She speaks three languages and has been chiefly employed in the fields of finance and travel. Her favourite city is Sydney and her favourite holiday destination is the south of France. She loves keeping fit and enjoys running, cycling and water sports. No, not those kinds of water sports; think surfing or sailing. That doesn't mean that she doesn't enjoy BDSM in all of its glorious forms, be that pony girls, bondage, edge play, orgasm denial or a damn good spanking. Her favourite item in the toy closet (a box simply isn't big enough) is her riding crop. In her spare time she's usually cuddled up with a good book, exploring the countryside or baking in the kitchen. In fact, she loves her kitchen so much she's one of few woman who wouldn't mind being tied to it! Her first and foremost love is writing, however, and more often than not you'll find her on a laptop spinning tales of romance, erotica or dark, paranormal fantasies. Those in the BDSM world might wonder whether Ms Mandara is a top or a bottom. Is she currently training a herd of pony boys or is she stabled up, in full leather tack, with the pony girls? It's a good question. Answers on a postcard please or try and figure it out yourself by visiting Ms Mandara's blog:
