## Description :

Prsentation de l'diteur Book 1 of The Uncommon Series, the bestselling tech startup thriller trilogy.Mara Winkel is rock climbing, mountain biking, and 'studying' her way through school at the University of Colorado, Boulder.But when her best friend James asks her to partner with him to start a disruptive new software company she discovers that the world of technology startups is fraught with intrigue, adrenaline, soaring successes, and scorching failures. It turns out this is especially true when your technology threatens entrenched drug cartels.Mara has to juggle mysterious investors, opaque partners, critical customers, and a team that is as brilliant as it is dysfunctional until only one question remains: win or die.Présentation de

l'diteur Book 1 of The Uncommon Series, the bestselling tech startup thriller trilogy. Mara Winkel is rock climbing, mountain biking, and 'studying' her way through school at the University of Colorado, Boulder. But when her best friend James asks her to partner with him to start a disruptive new software company she discovers that the world of technology startups is fraught with intrigue, adrenaline, soaring successes, and scorching failures. It turns out this is especially true when your technology threatens entrenched drug cartels. Mara has to juggle mysterious investors, opaque partners, critical customers, and a team that is as brilliant as it is dysfunctional until only one question remains: win or die.

Biographie de l'auteur Eliot is a writer and strategist based in Oakland, CA. He is the author of The Uncommon Series and when he's not hacking away at his next novel, he works with entrepreneurs and investors to build new technology businesses as a drop-in operator and adviser. He was an entrepreneur-in-residence at a venture capital firm where he accelerated portfolio companies, sourced/vetted deals and advised foreign governments on innovation policy and capital formation. He has been a founder and early employee at multiple startups.
